HSCA Statement on President Biden’s Executive Order on the Healthcare Supply Chain

Washington, DC (January 22, 2021) – Healthcare Supply Chain Association ([HSCA](#)) President and CEO Khatereh Calleja today released the following statement regarding President Biden’s Executive Order on a sustainable public health supply chain:

“HSCA and its member group purchasing organizations (GPOs) applaud President Biden for his focus on ensuring patient and provider access to critical medical supplies.

“The COVID-19 pandemic has underscored the importance of having a diverse and resilient healthcare supply chain. Although we are still reviewing the Executive Order, we thank President Biden for his efforts to support a sustainable supply chain, and we look forward to working with him and his Administration to strengthen supply chain resiliency and support patient access to quality care.”

About the Healthcare Supply Chain Association (HSCA)

The Healthcare Supply Chain Association ([HSCA](#)) represents the nation’s leading healthcare group purchasing organizations (GPOs), which are critical cost-savings partners to America’s hospitals, homes, nursing home pharmacies, clinics, home healthcare providers and surgery centers. GPOs deliver billions in savings annually to healthcare providers, Medicare and Medicaid, and taxpayers. HSCA and its member GPOs are committed to delivering the best products at the best value to healthcare providers, to increasing competition and innovation in the market, and to being supply chain leaders in transparency and accountability.
